SRI LANKA SCOUT ASSOCIATION

Greetings

from the Pearl of the Indian Ocean!

The Sri Lanka Scout Association invites youth and leaders from around the globe to immerse themselves in a transformative journey. The 11th National Scout Jamboree celebrates 115 years of unbroken Scouting excellence in Sri Lanka, bringing together 10,000+ local Scouts and 2,000+ International Scouts for seven days of friendship, growth, and discovery.

Hosted in Colombo, this Jamboree blends Sri Lanka's ancient cultural tapestry with forward-looking youth empowerment programs. Scouting contingents from across the globe will gather to share traditions, test their outdoorsmanship, and forge bonds that transcend borders.

Message from the Jamboree Chief

"Scouting has always been more than an organization; it is a global movement that shapes character, builds resilient communities, and inspires young people to lead with purpose. As we stand on the threshold of celebrating 115 years of Scouting in Sri Lanka, we look back with immense gratitude on a legacy defined by service, brotherhood, and outdoor excellence.

The 11th National Scout Jamboree is not merely a celebration of our past; it is a bold commitment to our future. We are designing an experience where the spirit of international fellowship meets cutting-edge youth programs. Here in Sri Lanka, where warm tropical hospitality is part of our DNA, Scouts will find a safe, welcoming, and invigorating environment to push their boundaries, learn from one another, and return home as dynamic ambassadors of peace.

To our international Scouting family: Sri Lanka opens its heart and its arms to you. I invite your NSO to embark on this remarkable journey with us in January 2027. Together, let us write the next vibrant chapter in global Scouting history."

Every detail, from logistics and security to health services and culinary needs, is being meticulously crafted to ensure the highest standards of participant safety and enjoyment.

This Jamboree is designed to be a crucible of adventure and culture. Whether your Scouts are testing their endurance on night hikes, sharing regional folklore at the Cultural Village, or collaborating on community impact projects, they will experience the dynamic energy of modern Sri Lanka. 11th National Scout Jamboree Logo

The Story Behind Our Jamboree Logo

Embodying the vibrant energy of youth and rich heritage, the official logo for the 11th National Scout Jamboree captures the true essence of Scouting in Sri Lanka. At its heart lies a dynamic campfire flame, representing the warmth, fellowship, and unwavering Scout spirit that brings us together. Within its golden outline, traditional Sri Lankan geometric art seamlessly weaves alongside fundamental Scouting symbols like the Fleurdelis, knots, and camp icons, honoring our skills, culture, and roots. Look closely and you'll find a soaring bird, a tree, and marine life advocating for environmental stewardship, paired with a launching rocket that signifies our commitment to modern innovation, STEM, and forward thinking youth leadership. Framed in bold navy blue and energetic orange, this emblem stands as an inspiring beacon for our journey ahead in Colombo; uniting adventure, tradition, and the promise of a brighter tomorrow.

Meet Loris

Adding a touch of local biodiversity and charm to the 11th National Scout Jamboree, our official mascot is **LORIS**, inspired by Sri Lanka's endemic Red Slender Loris (*Loris tardigradus*)! These fascinating nocturnal primates naturally inhabit the lush, conserved forests surrounding our campsite.

Proudly dressed in full Scout attire, complete with his neckerchief, merit badges, compass, and Jamboree flag, **LORIS** serves as a symbol of **environmental conservation, outdoor exploration, and wildlife stewardship**. Having **LORIS** lead the way reminds all Scouts of our duty to protect rare native species and respect the beautiful ecosystem where we camp, learn, and grow together in Colombo!
